Here's how it works... You contact SNAPPHOUSE via the *Contact Me* section of the website and we'll schedule a free phone consultation. Consultations are free if they do not surpass one hour. At this time, we will discuss your wishes and our expectations of the shoot. We will send you a follow up email with all that was discussed. You reserve your date on the calendar with a non-refundable security deposit of 25% via Cash App, Paypal or credit card. Credit card payments will entail additional fees. No checks please. If the event is 30 days away or less, we require a non-refundable security deposit of 50%. The final payment, either the remaining 75% or 50% will be due one week before the scheduled event. After the photos have been edited we will mail you a jump drive of all photos for a \$25 fee OR send a link where the photos can be accessed via Dropbox.com for free within two weeks of the shoot, wedding, or special event. Rush orders are available. You will have more than enough digital pictures to create your own special announcements, photo books, and/or prints. On average, we produce well over 25 photos per hour to give you an idea. We will discuss printing options during the consultation. We reserve the right to decline booking requests due to the volume of customers and to adjust prices on this site. Please contact us for further details.
